AI-Powered DSA Mentor and Hiring Platform 09/2025 – 09/2025
The platform enables students to talk to an AI-powered DSA mentor through instant voice calls. A single button click securely triggers the call via the backend using Inya AI, keeping API keys protected. The AI mentor provides personalized doubt clarification based on the student's DSA topics. Call activity is controlled and logged to prevent misuse. This feature improves learning engagement while generating valuable insights for recruiters.
